

**EASI CRIMP TOOL – CAT6 & CAT6A UTP/FTP – PART NO LEOCT-EZ670**

This is a sample of the Easi Crimps, bagged in 100s

**EASY CRIMP CAT6 UTP** - High Performance  
8P8C - End Pass Through one-Piece Modular Plug.  
Fluke tested/Certified 6U Gold Flash.

**Part no – CH25111**

**Packed 10 100s**

Installation instructions:

- Insert wires right through the connector.
- Simple one-piece design eliminates loading bar and liners.
- Verify proper wiring at a glance.
- When done, simply pull the connector down over the cable jacket.
- Trim the wires and crimp the connector in one step with the Modular Crimp Tool.
- Boots sold separately.
- Provide CAT6 performance per EIA/TIA 568-B.2-1 specifications.
- Make faster terminations and reduce wasted crimps and scraps.
- Work with solid or stranded cable (24 AWG maximum).
- FCC compliant and UL® rated.
